

Blues Camp 2009

Audition requirements: Harmonica

- Prepare for the audition by playing the notes of a harmonica one single hole or reed chamber at a time, exhaling and inhaling.
- Play Ode to Joy by Beethoven and When The Saints Go Marching In, one note at a time.
- Follow this by bending the notes of holes 1 to 6 by inhaling (see "bending" on youtube.com or other sites).
- Find a typical blues line and play it, improvising a little on this same melodic line.
- Bring harmonicas in at least three keys (C, D and A).
- Above all, have fun.
